Good Driver Incentive Program
View As
Requirements Change 1

Drivers:

- No Changes

Sponsors:

- Sponsor type users need the ability to toggle between the sponsor and driver views
    o Must be able to do this without logging out and back in
    o Must be able to perform all the operations that a driver can
        ▪ EXCEPT placing an order from the catalog
        ▪ Should automatically have points available when working in the driver view

Admins:

- Admin type users need the ability to toggle between the admin, sponsor and driver views
    o Must be able to do this without logging out and back in
    o Must be able to perform all the operations that a sponsor can
    o Must be able to perform all the operations that a driver can
        ▪ EXCEPT placing an order from the catalog
        ▪ Should automatically have points available when working in the driver view

REMEMBER: you must turn these changes into user stories and add them to your backlog.

Every story that you add for this change must be tagged with: RC#1
